## **2019 MARE BREEDING CONTRACT/STALLION COLLECTION**

This document is an arrangement between *Nebraska Equine Veterinary Clinic* and a mare owner defining the charges for breeding a mare to a stallion standing at the clinic. **A single breeding fee (Chute Fee) of \$492.00 per mare** that includes all heat cycles for the breeding season of 2019. This charge applies only to mares that are brought to the clinic for breeding. A mare boarding **charge of \$31** will be charged daily.

This single charge will include all rectal palpations, all reproductive ultrasound exams, all artificial inseminations, and the handling of semen through semen collection, evaluation, and routine preparation for insemination. Any additional veterinary procedures determined necessary for successful breeding with collected semen will accrue additional charges (i.e. centrifugation or spinning semen). Ultrasound exam for pregnancy diagnosis at 14 to 18 days of pregnancy and again at 30 to 35 days of pregnancy will be included but additional follow-up pregnancy exams will be charged separately.

This single charge **will not include** any additional veterinary procedures that may be performed based on the needs of an individual mare. The most common additional procedures are listed below. This is not an all inclusive list of possible procedures that may be deemed necessary for your mare to conceive. \*The last page of this document includes an abbreviated procedure price list.

- 1) Uterine Biopsy
- 2) Uterine Culture with Antibiotic Sensitivity
- 3) Hormone therapy to time breeding and/or ovulation
- 4) Uterine flush
- 5) Uterine infusion/treatment
- 6) Caslick procedure
- 7) Twin reduction
- 8) Hormone analysis (Progesterone level)
- 9) Sedation

The mare must be **current on all vaccinations** (Eastern and Western Encephalitis, Rhino, Influenza, Tetanus, Rabies and West Nile) prior to being checked into the clinic. If not, these will be administered at check in at an additional **charge of \$93.37**. If the mare is coming from a farm which has an active illness going is present, the mare owner must inform the clinic prior to the mare being checked in.

**Financial policy regarding payment schedule:** You may begin this contract at any time during the 2019 breeding season, but it **will not be retro-active** on any reproductive work done prior to the contract. The **\$492.00 breeding fee is due at the time the contract is signed and immediately goes into effect**. The remainder of the bill (mare boarding, additional treatments, and shipping expenses) is due at the time the mare is released from the clinic to go home, unless previous arrangements have been made between the owner and the veterinarian or office manager.
